

Evening Events

Friday night field set-up, 7 pm: Everyone is encouraged to come kick off the weekend in style. BYO food (grillables!) and beverages. Bring your teammates and tents and make sure you're down to get down!. Lawn games, good times.

Saturday Dinner: There will be dinner on Saturday brought to us by Nate & Lauren and friends. Chicken tacos with rice & beans are on the menu.

Saturday Night Poppin' Jampagne Party, 8 pm: The Saturday party will be at the fields. The party is 21+, only. No exceptions. On Saturday morning, each captain will receive wrist bands to hand out to 21+ members of your team. You must wear your wristband at the party at all times. Guests are welcome, but we ask that non-playing guests pay \$10 to contribute to the DJ, food & beer.

We will enjoy kegs donated by the Broken Tooth Brewery (they have sponsored our Jam party since 1997!!! Show them some love when you get a chance). All are encouraged to bring other non-beer beverages to share. The JAM committee is excited to announce that this year, WE HAVE A DJ!!! DJ Alex The Lion is going to BRING the TUNES so be prepared to dance your FACE OFF. Dance party all night under the midnight sun. Additionally, a variety of games will be set-up (Spike Ball, Suzie Sticks, Beer Pong, Ping Pong related drinking games, etc).

Come dressed to pop some Jampagne! As in, time to get fancy!

Covid Safety

There's a lot of Covid going around in Alaska again. If you have had an exposure, traveled recently or been in an indoor group gathering (i.e. wedding) in the last week, please do a test on Friday or before you arrive at the tournament on Saturday morning. Please monitor carefully for any symptoms & if you have ANY please stay home. With this new strain it sounds like people are often having symptoms for a day or two before the home tests are showing positive. Please be responsible adults - we all know the drill by now. Captains will be checking with their teams to get confirmation of testing.

NOTICE: Cell phone coverage is notoriously spotty in Kincaid - especially down at the fields.

SET-UP & CLEAN-UP: Help Please! Please show up to help set up Friday evening at 7 pm. and stick around to help clean up on Sunday. We will love you forever!

Safety

Wildlife Safety at Kincaid:

Kincaid Park is frequented by moose & bears. If you see a moose, do not approach it. Moose can charge, especially if they are in the presence of their young and/or feel threatened. Although less frequent than moose, bear sightings at Kincaid are not uncommon. If you are unfamiliar with what to do if a bear approaches you, please take it upon yourself to read up. Additionally, please exercise common sense regarding where you store food overnight in bear country. Food should be stored in vehicles, not tents. If you have personal food but no vehicle to store it in, please contact any tournament organizer. We will find a bear-safe location for your food! Stay with a group when walking or biking around the park - especially in the evening. Bear spray is a good precaution.

Theft: Kincaid Park is very isolated and we will have the whole place to ourselves at night. Kincaid should be relatively safe, however, do not leave valuables in the cars, especially during the day when the gates are open and let's all watch out for each other!

Fire Danger!: Fire danger in Anchorage is extremely high right now. No open fires are allowed. Be very cautious with cooking, lighters, etc.

Great Alaska Jamboree 2022

In 2021 we had a very small, very local Jam, but we had half the teams show up in yellow/orange jerseys.

Welcome to the 2022 Great Alaska Jamboree

It's time to play some disc in Anchorage's premier tournament. The winner will be crowned the "Jampion of Alaska" a title to savor until next year. This is also a time to enjoy some tasty food, good spirit, see old friends and meet new ones. Here's to a great JAM weekend and another year of Ultimate in the Land of the Midnight Sun!

– Diego, TD: (305) 785-2807, Lyra (907) 952-2160

Kincaid parking & gate logistics

Parking: All tournament attendees must park at the lower "soccer" parking lot near the stadium, NOT the chalet lot (see map). Frisbee central is approx. 1/4 miles from the parking area - consider bringing a wagon. If you need to drop stuff off at the fields prior to parking, there is an access road near the chalet. We have a key to this gate.

Kincaid park gate: Kincaid Park closes to the public at 11 pm. At that time, the gate located at the Raspberry road parking lot will be locked. The tournament organizers have a key.

Friday arrivals: If you arrive before 11 pm, the Raspberry gate will be open. If you want to get past the gate later on Friday night, you need to contact Lyra or Diego during the day Friday. If you arrive after 11 pm and have not made prior

arrangements you can park at the Raspberry road lot and bike or walk in to the fields - about 1.5 miles.

Saturday/Sunday morning arrivals: Gate will open at 8 am for morning arrivals and will remain open until 10 am when the park opens to the public.

Saturday night departures: We encourage all party attendees to camp at the fields. The gates will close at 11 pm. We will open the Raspberry road gate one time, at midnight, for people to exit if needed. A gate-opening announcement will be made at the party. Or better yet, park at the Raspberry Parking lot, ride your bike and leave whenever you like.

Tournament Rules

1 Except where otherwise stated, we will run under USA Ultimate's 11th edition rules.

2 Teams designate an endzone at the beginning of each game for choosing gender ratio. Saturday: Play should be 4-3 or 3-4, 5-2 is discouraged but can be determined between captains at start of game. Sunday: Championship bracket teams must play 4-3 or 3-4.

Format (by Rob)

Teams will reseed after Saturday play based upon win/loss, head to head and point differential stats.

On Sunday, top 3 teams get a bye and lower teams play round 1 of Saturday.

Sunday: Team that lost 6 v 7 game is out round 2 and plays again in round 3 in beer bracket. Other teams get set up for a final magic pool play bracket which is biased toward teams playing each other that did not play on Saturday. The three round 2 game winners continue on to semis bracket ranked by win loss ratio, head to head and then point differential. There is 1 Lucky Loser in round 2 that gets into the Semis bracket in last spot chosen by highest win loss ratio, head to head and then point differential.

3 Games are to 13. Semis & finals games are to 15.

4 One timeout per half plus one floater. Timeouts that are called when a team has none left will result in a turnover.

5 Hard cap will be sounded after 75 minutes. Finish point and if tied, play one more. Quarters & semis will have a soft cap after 75 minutes, hard cap at 85 minutes. Finals will not be capped.
